Evolving from Manager to Leader:

5 Influencing Strategies to Accelerate Success and Make a Difference

This session explores essential strategies and techniques required to powerfully evolve from manager into leader. Being a manager is one of the most arduous and yet most valuable roles in any organization. The challenge lies in dealing with the expectations of those above and below you while also influencing the success of the people around you. When you master managing while leading, you will discover how to impact any organization from the middle. You will leave this class with the skills needed to powerfully evolve into a Manager who Leads.

Ann Tardy, JD, CSP

As a Silicon Valley corporate attorney and a serial entrepreneur, Ann studies people as leaders in various ways. In 2003 Ann launched LifeMoxie Mentoring to radically increase people's job-love by improving their ability to manage, lead, mentor, and collaborate. As the Chief People Officer, Ann Tardy creates collaborative communities and better bosses for stronger organizations. She founded The Mentoring Leaders Circle, developed the MentorLead platform, authored three books, produced a documentary, received the Certified Professional Speaker award, and cycled across the country. Her programs are loved by Kaiser Permanente, Stanford, Duke Energy, and Macy's.
