Managing My Career with Personal Branding: A Practical Brand Me Methodology for Stepping Up with Impact and Taking Control of Your Career

This program provides participants with a proven personal branding system, the framework and tools to accelerate your career, and clarify, develop and project your own authentic Brand Me. The objective being that you become well-known for your area of expertise and what you bring to your teams and the organization as a whole. You will learn valuable techniques to package your brand, manage the perceptions of others and a strategy to build visibility & profile internally and externally for greater personal impact. We'll be covering development of your own back-story and brand statement that position you clearly in relevant networks and social media.
